## Benefit Ride

All Cyclists Welcome

### About Carter

Little Carter Maxwell was born on June 7, 2007 at Reid Hospital in Richmond Indiana and has spent all but four days since he has been born at Riley Hospital for Children in Indianapolis Indiana where he is currently being treated . He cannot eat on his own and must be fed through a feeding tube. Since his birth one lung has collapsed two times. Carter's family, friends, and extended families are rallying to his parents' side in support. You can help too. Please ride with us to help this little boy.
