Devin Kirtley Benefit Ride

Sunday, June 1, 2008
Marine Corps League

Devin was diagnosed at 15 months old with CP (Cerebral Palsy) and with Duane Syndrome, which effects his eyes. Devin was born at 28 weeks, very premature. He has had 12 surgeries in his life, and lots of Botox in his legs to make them looser. Devin never complains about all that he has been through. Devin's passion is to ride a horse. That is all he talks about is someday being able to ride like other kids in the 4-H. We are trying to raise money for this saddle, which will benefit Devin for the rest of his life. With this saddle Devin will be able to have fun and also be getting a lot of therapy. Your caring contributions will help Devin's family raise money to buy this saddle.

Please join us Sunday, June 1st to help make this boy's wishes come true.
