Nine year old, Pine Bush student, Olivia Beam was unexpectedly hospitalized on August 13, 2007. Like your child, Olivia loves the outdoors, bike riding, playing with her friends, sleepovers, summer camp, and Little League softball. Unfortunately her illness remains undiagnosed and has bewildered the medical community. At this time she remains in critical condition in intensive pediatric care. With your help The Friends of Olivia Foundation hope to ensure Olivia continues to receive the best possible medical care and bring her home to a handicap accessible home. Your caring contributions will help ease the strain felt by the Beam family.

Please join us Sunday, May 4th to help this little girl and her family.

Let's Ride!
