Benefit Ride

All Cyclists Welcome

All proceeds will help the Richmond Police Department purchase quality car seats for kids.

When cars have been pulled over for one reason or another and the officer determines that it has a car seat that isn't safe, he will issue a voucher to the driver of the vehicle which he or she can take to the station and replace the car seat with one that is safe and approved. Approximately 60 of these seats are replaced every year.

Project Love is a great program that puts kids in a safe seat!
