

RIDE FOR RONALD

IN MEMORY OF ALYSSIA CERVANTES

Alyssia was born with severe medical problems. She fought hard to stay with us but on Feb.20th 2003 she lost her battle. She spent many days at Riley Hospital and with the help of the Ronald McDonald House her family was able to stay with her at all times. Without donations from good people like you this would not be possible. So let's try to raise as much money as possible to help!!

**POKER
SATURDAY**
