

# Memorial Ride

in honor of  
George "Shortcut" McMillan

George was so many things to so many people. He was the treasurer of our motorcycle club and was the type of person that would do all the things that nobody else wanted to do. He was an inspiration and gave 110% every single time he did anything. He was a friend to all and was loved by so many. George was a charter member of both the Marine Corps. League and the Motorcycle Club. He was so passionate about helping others. He especially enjoyed working with the cadet members and enjoyed spending time with kids. The "Toys for Tots" was an event that he started at the local MCL. The Whitewater Valley Motorcycle Club was something that George was very dedicated to. It was his passion, it was his life. He was always doing something to promote a benefit ride or helping someone get signed up to be a club member or making sure that things were being taken care of. In 2006, George was so excited about raising money to help bring in the Moving Wall to Richmond. He was on his way to New Castle to distribute flyers when he was hit by a motorist who wasn't paying attention. It was a tragic day for all who knew George. We miss him very much and we will never forget him. We will ride in his honor on October 4th, 2009. Please Join Us.
