

2009 Fifth Freedom Benefit Ride

Some of your favorite bars?

If you use a wheelchair, obstacles like stairs, narrow doorways and high counters can keep you from enjoying everyday life. Bars should give you time with friends, not keep you from them.

On July 25, you can help “un-bar” the way for people with disabilities! Take part in the Fifth Freedom Benefit Ride!

**Ride to benefit people with disabilities!
Cash prizes, a live auction, and more fun!**

Fifth Freedom works for better healthcare, better education, employment, and community access for people with disabilities. Come out and show your support. You could win \$50, \$100, or even \$150 in cash!

July 25, 2009
