

# Racheal Doerflein Fundraiser Poker Run / Concert / Raffle

Racheal, a 15 year old Richmond girl, is in an induced coma and on a ventilator in critical condition.

She was taken by Care Flight to Miami Valley Hospital in Dayton, Ohio after being hit by a van traveling 60 mph on US 27 while riding her bicycle. She suffered a broken jaw (fractured in three places) that will require surgery, a lacerated kidney, shattered left ankle, both legs are broke, cracked pelvis, lacerated forehead (more than 100 stitches), lacerated chin that will require a plate and plastic surgery. All of her teeth were knocked out and she has a bolt in her brain to measure the amount of swelling and pressure on the brain.
